Is Bark In The Park right for my dog?

Yes! If your dog:

- Is old enough to be around other dogs and people (at least 6 months of age)
- Is up to date on all required vaccinations**
- Is in relatively good health and can walk up and down several flights of stairs
- Does well on-leash and is not overly aggressive toward other dogs
- Is friendly toward humans and not excessively fearful
- Is a Hawks Fan!

Probably not, if your dog:

- Is still too young to mix with a big crowd (under 6 months)
- Is a senior dog that would have trouble navigating stairs and being outside
- Has aggressive tendencies towards other dogs or humans
- Is a female dog in season
- Are Indians or a Volcanoes Fan! (Just kidding, all are welcome!)
- Is exhibiting any signs of illness close to the day of the game
